“ *Dear Nick - your name just came into my mind today (yes, it still does after all these years) and I found this announcement. I am sorry to see that your wife has passed away. I can't imagine how you and your family have grieved. I just wanted you to know that I am still around. My best to you and your family. God bless over you, dear Nick.....Mary Lou*

Mary Lou Lindsey - August 10, 2010 at 06:52 PM

“ *Our deepest condolence's. We are sorry for your loss. Our prayers are with you..
