“ We were so surprised and deeply saddened to learn of Lydia’s death through the *Detroit* publication. I knew Lydia through my mother, Olga Solovey, who worked closely with her for many years on a number of projects in the Ukrainian community. Through her knowledge and competence, Lydia was a major asset to the organizations she volunteered for. She was also kind and caring, and it was always a pleasure to talk with her. She will be greatly missed and will be remembered in our prayers.
With our heartfelt sympathy - Kathy, John, & Larissa Babak
