“ I am very pleased that I got to know Lynda (although too short a time) through my brother Ralph. And yes she was both beautiful and kind.

Ralph and Lynda enjoyed a wonderful love and romance that seldom comes during mid life. Her life was unbelievably short, they should have had years together as well as her family, and friends.

Lynda left a legacy that surely will live on. She had a generosity of spirit that was truly a gift to all she came across.

Sincerely
