“ Although we lived far apart, I knew that if I needed to talk to someone, Uncle Marcel was always there for me. Almost felt like he was next door. We had so many things in common like passion for classic cars and coin collecting, just to name a few.

I really loved him and he will truly be missed.

Thanks for the good memories Uncle Marcel!

Your loving nephew, Richard

“ To the family,
I had the pleasure of working with Marcel on the Blue Cross Retiree Executive Board Committee. He was always there full of laughter and ready to give his report. When he was not able to physically attend, he joined us via conference call still showing that dedication in being part of the organization. He truly will be missed by all. May God continue to give you strength to carry on.
