I started working with Marcy in Oak Park. She moved with the company when it moved into the new building in Madison Heights and so did I. She was a ball to work with. I know how much her family and friends meant to her and she will be greatly missed. R.I.P. Marcy.

“ You will be so, so missed. You were the sister I never had. Sweet peace to you. "What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget" - Ron Tranmer
