“ *Bill and Family, We love Marcie so much and will miss her something awful. She was a sweetheart and full of fun. She had her fun side and serious side. And that's what was so great about her. She said it like it was...I am so happy she was at the Restaurant so recent and I was able to kiss and hug her. And we got a picture of You, Marcie and Cris. It will be a memory in my mind forever.*

*Our hearts and Spirits are with you at this time. God's there with you and the family.*

*Love Rodney and Theresa*

“ Dear Bill and family, Marcie will be missed so much. She and I shared alot together. She empowered me with her wisdom many times. I look at her as a second Mom because she treated me as family. I will forever remember our long talks. Alot of our talks were about family. She loved and treasured all of you more than you'll ever know. May you pick out a precious memory when your missing her the most ans smile, knowing shes doing the same. I love you all.

“ Dear Bill and family,  
We are so sorry to hear of Marcie's death. I remember you all living on Pebble Point Dr. (some 30 years ago) in Emerald Lakes.....and the fun times we had as neighbors. Marcie really enjoyed life. Our thoughts and prayers are with you now.
