“ *I just heard about Margaret's passing. My family lived across the street from her on Huntington. She was always busy, cutting her own grass, etc. We would talk often for many years until my daughters went to college & I had to sell that house. I know she is at peace in heaven. Denise Rogers*

“ *Mary and family - so sorry to hear of Margaret's passing. She and my mother loved going to casinos. They had been engaging in this activity for years. They met many years ago - when beanie babies were all the craze. Over the years, Margaret attended many of my mother's annual birthday parties. This past July my mother turned 90 and Margaret was there to help celebrate. I am going to attach a short clip from the party that has Margaret in it. Margaret was such a kind and thoughtful person. She was a good friend and lover of animals. She will be missed. Linda Koltuniak, Margarete Bryant and families.*

“ *Dear Mary and Family, it is very sad news here for all of us - relatives and friends in Slovakia to hear that our aunt Margaret passed . We all loved her and admired her energy and optimism, her smile and good heart she had for all of us. It was always a great time to be with her. Margaret was great wife to our uncle Joe, wonderful daughter in law, great mother and grandma and a support to all our family. We shall miss her, but she will stay in our memories and hearts and we shall pray for her.*

Please, accept our sincere sympathy
