“ I worked for Dr. Maria for fifteen years, from the time I was a young teenager until I had my first child. Dr. Maria was not only a good boss but a good dentist and a great person. She always thought of her patients as people first and her work was always about them.

Dr. Maria, her assistant Roma Cohut, and I had many wonderful years together. She guided me through both my career and my life, and truly made me feel like family. Working with her never felt like work. It was always fun and rewarding. She was wise and full of good advice.

Dr. Maria, I will truly miss you. I will never forget you. You are always in my heart.

With my deepest sympathy and love to her children and grandchildren.
