“ To the Wilczynski family,
We know that these are difficult times for your family. We would like you to know that our thoughts and prayers are with you. Your mother always welcomed us into her home and cared about us, we will always remember her that way. She was a person who always put others ahead of herself. She is part of what made us who we are. She will always be with us. She will be missed.

“ *Dear Lucy and family,
We were so sorry to hear about the passing of your beloved Mother. I know the last few years have been filled with worry for her. May she be at peace and may you find comfort in knowing you were there for her in her need. Please find peace in your hearts as well.
I know how difficult it is to say goodbye. Take the time you need to grieve and hopefully your memories are those filled with only those that make you happy. Always know that you are not alone and that you are loved...*
