“ Living across the street as a kid I’m sure I spent more time at the Lindens’ than any other place. Mr. & Mrs. Linden were great people and I have so many wonderful memories: the pool, the tigers on the radio, the sandbox, and peeking into Stromberg’s pool through the fence. And of course the camper and all the Cub Scout stuff.

I remember one year Mrs Linden dressed up as a witch and made a cauldron full of gook at a Cub Scout meeting at Price Drive School. It was so cool and she was so creative.

Ray, Wayne, Steve, and Beth I’m so sorry for the pain of your loss. But know that she meant a lot to me and I’m sure to a lot of others too. She was a great lady and will be missed.
