“ I really wanted to be there to see all of you again. Unfortunately, I couldn't arrange to come in from NY in time, so I'll have to offer my condolences from a distance. While I never saw Marie often, I have always had such warm feelings toward her and everyone else in the family. It may have had something to do with champagne at an early age! :) My heart is with you this weekend and I hope all the wonderful memories of this very special woman will help you as you celebrate her life.

Love to you all,

“ Tony and Christie, I wish to offer my condolences to the two of you as well as the rest of your entire family for this painful loss. It is always extremely difficult to lose a loving grandmother or anyone else whom you love for that matter. Just remember that she has Jesus to be with now and it is important to remember to celebrate her life rather than mourn her death. Eventhough I never did have the pleasure of knowing this great woman she was grandmother to two of the most caring and compassionate people that I do have the pleasure of knowing. Again, I am deeply sorry for your loss and God always be with you.

“ Our deepest sympathy to your entire family. Marie was a wonderful lady and I remember her always smiling and happy. She raised some wonderful children and seem to enjoy life. We hope you will cherish the memories and keep them close to you.  
You are in our thoughts and prayers. She is now at peace and with the lord. God Bless Lisa Izant and the entire DeNardis Family
