“ I am just stunned by this sad news. I, too, worked with Marietta at Von Steuben. She was one of those people whom you just expect to live forever. I will remember her hearty laugh and sincere smiles. She was so proud of her family. I'm glad to have known her. I will miss seeing her posts on FB where she shared all her special moments with loved one. My most sincere sympathy. Vivian Dockery

“ I have just heard of the passing of Marietta. We meet years ago when she was teaching at Chandler Elementary and I was an Area E Language Arts Specialist. We bonded during this time and later when I became an administrator at Von Steuben, she asked to transfer to be apart of the new K-8 enrollment. She was an excellent teacher; innovative, creative, witty and had a true love for children.

“ I just heard. I am so sorry to learn of her passing. I was blessed to teach with Marietta at Fleming. Third grade was so much better with her knowledge, support, and friendship. She was wicked smart and so quick witted. She loved her family and the girls were her greatest joy. I count myself thankful to have known her. Prayers for her family as you celebrate her life and love.

“*Marietta's care for her family was clear to us from the minute I met her. When her granddaughter, Brooklyn, became blind, she reached out to us, Opportunities Unlimited for the Blind, almost immediately, to help Brooklyn find her "tribe" - others like her who face the challenges of being successful in a world not made for them. She even kissed the end of her kayak this summer! We are family to her now, even though she can only be with us for a short time each year. We look out for each other and care for each other, and without Marietta's care for Brooklyn and insight into what she needed, we would never have met her. Thanks, Marietta, for sharing your granddaughter with us! May you rest in peace. Gwen Botting, Executive Director, Opportunities Unlimited for the Blind, www.oubmichigan.org; gwen@oubmichigan.org*
