“ Danilo and Family,  
Please accept my most sincere condolences on the passing of Tetka Marija on behalf of myself and my entire family. She was a kind, loving and overall wonderful woman who opened her home and her heart to me since I was a teenager. I will forever cherish our long talks, her delicious meals she shared with me and most importantly...her patience when we would all gather to play music and sing songs throughout the late evenings in her home over so many years. May music now play in Heaven for her...as she's finally reunited with her Son and Husband who she missed dearly...as we will now miss her.  
Bog da joj dušu prosti. 🙏
