“ To the Mandziuk family - We would like to extend our condolences to your entire family. Even though you work with families on a daily basis who have lost loved ones; it still must be difficult to cope with losing one of your own. Our prayers and thoughts are with you and your family. “ Dear family and friends, I was sorry to read about the death of your loved one "Bunny". I know how it hurts when a loved one dies, my heart goes out to you. Please accept my sincere condolences. May you be encouraged as I was by our Heavenly Father's loving promise, that he will reunite us with our loved one by means of a resurrection on a paradise earth in peace and happiness in the very near future (Acts 24:15; Psalms 37:11,29; Revelations 21:3,4) What a happy reunion that will be. Learning what the Bible really teaches has aided many to cope during these stressful times. It is my hope that your fond memories of "Bunny" and God's precious promises give you a measure of comfort as you look forward to the future, and help make your present pain a little easier to bear. Again my deepest sympathy to you.

“ Gene--
Carolyn & I were surprised and saddened to learn of Bunny's passing on to eternal life! The picture in the Free Press was how we remember her when she and Carolyn worked together at the bank and you and I were classmates at W S U. Sorry we will be unable to be with you during these difficult days as we are in Arizona. But be assured that you and your family are in our prayers and thoughts, especially on Saturday.
