

Marinel "Mike" Berlovan

June 22, 1959 - August 25, 2022

It is with a heavy heart, we are sorry to share that Marinel "Mike" Berlovan passed away at the age of 63. Mike was the loving son of the late Ruzica. He cherished his relationship with his mother. Dearest friend of DJ, they were close friends who were always there for each other and considered each other family. Mike enjoyed MMA, listening to music, and working on cars. He loved dogs and being a pet parent to his Rottweilers, they meant the world to him. Mike was a very loving person and he will be dearly missed.

“ I've known Marinell (Mike) since the early 70's and we were best friends for many years and was even in a band together I'm so shocked to hear that he passed away I moved back from Florida in 2022 And I was planning to visit him that year but I never did and I have no words to describe how feel right now all I can say is that I truly loved him and miss him dearly.

I have noticed that DJ was a close friend of Marinell before he passed I'd ever possible I would like DJ to send me a text don't even have to call me I would like to know where he is buried so I can visit him and have some kind of closure that would be a miracle if that can happen - my name is Viorel and I was Marinell's best friend way back many years ago and somehow lost touch with him thru the years my telephone number is 248 703-7422 - I know it's a long shot but I have hope.
