“ We feel so lucky to have had a mother like my mom. She was the oldest of seven children. She grew up in Oklahoma and met my Dad while he was in the service. They moved to his hometown of Michigan to raise their nine children. Marjorie was gifted at reading, sewing, quilting, listening and being a excellent role model. She was quiet, stoic and always thought before she spoke. Her words were often wise. Marjorie is and will remain beloved and respected by her friends and family. She remained healthy until 85, after which she rarely complained and still maintained her sense of humor.

We will miss her so much!

*I was saddened to hear the loss of your mother. There were so many Saratoga/St. Jude memories with your family and other neighbors as well. You'll always remember how it felt to laugh with her and to be loved by her. I hope those memories will bring comfort to all of you.
