“ *I met Mark in the Arcade community, we became friends and worked on many projects together. He was always willing to help me out if I needed something and would go out of his way to send it to me. His kindness helped others get parts they needed. We traded for a game and I still have it, now I will always think of him every time I play it.*

“ I worked with Mark at Plante Moran for several years and on many engagements. His cell number was always on my recent call list. Mark was a great leader, a mentor, and a friend. I'll never forget how Mark believed in me and trusted me. I learned more from Mark than anyone else during my professional career. After I left Plante Moran, he kept in contact with me to ensure my transition was seamless. I could always count on him for help if I needed it. He was one of the few genuine good people I've ever met. I'll also never forget the many audit presentations where I accompanied Mark. I was in awe how he was able to be so articulate, clear, and captivating during his presentations. He was the smoothest and actually made financial audit results exciting for the audience. I'm very sad that the world lost such a good person so soon. He'll always be in my thoughts and prayers. Until we meet again, I'll really miss you Mark!

“ I met Mark in the arcade game collecting hobby and we did a few deals together. Mark was a good person who was dedicated to his hobby and would help out others in need. The hobby is devastated by his loss.

“ I have very warm memories of working alongside Mark on retiree benefits. He was a true professional and a gentleman, and he managed to maintain a remarkable degree of equanimity with everyone who came in contact with him. My sympathies go to his family and friends.

“ I worked with Mark from 1989 until I retired in 2014 and I always found him to be a champion of the underdog. He was a kind, compassionate man who was always a loyal friend. I will forever be thankful for his support and pray his family has peace in this painful time. RIP and be free my friend Mark.

“ I was so saddened to hear of this. The Hurst family is such a great family. I always remember Ms. Janice playing the piano for the children's choir at St. Blase when I was little and sang in it. Prayers, love, support and strength are being sent to the family. I am so sorry for your loss. Stay strong everyone!!
