“ *Jessica or aka "Mini Me"-
I am so sorry to hear about the loss of your monther. I worked with her at Oakland for several years. I lit some candles as my church for Marsha today. My prayers are with you and the family.*

“ *I used to work with Marsha at St. John Macomb - we were both coders. She used to sit next to me. We had some good laughs. She was always very nice. I feel so bad about her death. I was shocked when I heard the news. I pray that God will give you and your family strength during this difficult time. May Marsha rest in peace...*

“ I worked with Marsha for about two years at St. John Macomb Hospital. She was a lovely lady and we became friends. I tried calling her about three weeks ago, but no answer, I knew she would call quickly, but I did not hear from her. Called again two weeks later, the phones were disconnected. I knew something was wrong, so it was not a surprise when I got the message of her passing.

She was a happy person and smiled all the time. She will be missed.

My condolences to her Daughter, Mother, Brother and Sister-in-law.

May she rest in peace.
