“ *Mrs. Snider was the classic "neighborhood mom" to so many of us that grew up on or near Franklin Park Dr. We were all growing hungry boys that played ball all day in the summer and came in for refueling. Long after those childhood days, she was genuinely interested in what we were all doing with our lives. I remember her generosity, her kind spirit, and her great heart.*

“ *Ms. Marsha will be missed a ton. She was always the first bright smile I would see monthly. She will be missed by all.*

“ Dear John & Joe:
I was deeply saddened when I read of Marsha's death in yesterdays paper.
I live so far away now that I won't be able to come to visitation or the funeral.
Both my girls live out of town. Gail & her husband in Mobile Ala.
Debbi & Jerry
live in the Upper Peninsular June thru September & then October thru May in Naples Fla. So they can't bring me.
I have real wonderful memories of Marsha (& Leonard) living next door on Annchester.
Please remember our thoughts & prayers are with you.
As Always

“ *John Joe and Family*

I am so very sorry to learn of your Mom's passing. She was a kind and thoughtful neighbor and friend for our family. I often think about the good times remembering both your Mom and your Dad and will always be grateful for those days with them and you.

“*Marsha was like a second mother to me and my siblings. She was my mothers best friend since childhood. I was blessed to be able to visit with her in May when we traveled to Michigan to bury my mothers ashes. She told me and my cousin Cindy "I am ready to go hang out with Jeanie" I knew then she had peace about leaving this world as she told us she has lived a long good life. She was one of the kindest most selfless people on the earth. We have been truly blessed to have shared time with her. She is loved by many.*

PS

John, Joe, and family:

I was very sorry to hear of the passing of your Mom. About 40 years ago she became a Mom to me, Tim, Craig, and the rest of Franklin Park neighborhood. I know she was your biggest fan, but always found a way to let us know that she was a fan of all us kids. It is hard to put into words the impact that cool adults have on kids and young adults. She was a cool Mom.

I don't get back to Michigan often, but will be there in September - my parents have my contact info.
