“ Call me MRS Dorothy she told us when we moved next door fifteen years ago. You'll never be able to pronounce my last name! We went to a Rosie the Riveter reunion because of her. She went to a Frank Sinatra tribute concert with us. She made us stuffed green peppers with peppers she grew in her own garden! We shared Christmas eve together in recent years. She was the "toughest" lady I knew! She could out work most of us even after battling cancer! Mrs Dorothy is the only lady we knew who met Regis and got a kiss from him!!! She went to dinner with us in our convertible, top down, with my teenage daughter driving! Life was always an adventure for her. She would dress up on her wedding anniversary and go out to dinner and tell us stories about Carl. We also laughed a lot together!

The most important thing I can say about her is that she LOVED us!! She said, "Yous are like my own kids!" Then she would hug and kiss us! My family LOVED her too! She was like a mother and grandmother to my family. I feel heartbroken today. I type this through my tears. There will never be another lady like her who lived with such CLASS!

Only our faith in the Lord Jesus Christ gives us hope in times like these.

All of our love and prayers to Carol, Tim, Mario, Joanna and the rest of Mrs Dorothy's family.

Love,

Dr. Rev Steven & Mrs Sharon Thrasher Sr.
