“ *On behalf of my brother Ken, myself and my husband Doug and Marti's extended Zysk family, I want to thank Marti's wonderful neighbors and friends for taking such good care of her. My family, the Zysks, have gotten older with health issues that haven't allowed us to be there in the way we would have otherwise. So - thank you. Our words cannot express enough the gratitude we feel. The nurturing and long-abiding love Marti's friends and neighbors have extended to her over the last seven years is a testament and tribute to Marti herself. Thank you so very much.*

*I mostly knew her in relation to her brother (he was my best man) and her neice/ nephew, I always remember her being cheerful and a good family member. We talked about Gatlinburg the last time I saw her. She's with the man of her dreams and get brother, mom and dad now. Rest in peace Marti.*
