“ *Dear Chris, Tony and entire Family,*

We were deeply saddened to learn of the passing of your loving Mother. Friends like me were blessed to know your Mom and we are most thankful for all the joyful memories. The friendship I will cherish all of my days. Your Mother and I had so many fond times- lunches we had together after I finished up work were the best. I will also always remember our times at Ladies/PTA bowling. Your Mom was determined to learn to bowl, she bought a nice bowling ball, we practiced often (I was no professional), but we had fun improving our skills and of course we enjoyed good lunches after bowling. I will miss my dear friend. There is another Angel with our God today and I thank Him for beautiful Mary. She will be truly missed by all those who loved her. I am sorry my health did not allow me to join you today. Please know you are in my prayers.

Hope, Peace and Love during this difficult time. Your friends, Fern Long and Family
