“ *Dear Family: I am so sad to hear about the untimely passing of my dear friend Mary. I must find solace in memories of all the fun we had together and with our combined families. Our Up North life and adventures are truly the memories and highlights of my life. I certainly enjoyed being a part of her decision to move to Honor and enjoy that lifestyle. My time working with Mary for years was rewarding personally and professionally as her ethics and character were impeccable. Mary had class and style. No matter what she was doing she demonstrated grace. Our conversations about our families and all of those adventures together bring belly laughs!. I know her trips with her family meant so much to her! I will miss my friend and our trips to the garden centers, conversations and travels. A void is left here but now she can say Hi to our daughters Deb and AnnMarie. Let the Angels Sing! God Bless.
Love Always,
Deb*

“ Dear Family & Friends.

It knocked me flat to learn of my sister's death last weekend. She has been in my thoughts almost constantly since then.

As the days have gone on, I've been thinking back over Mary's life and remembering her warm and giving spirit. I can especially recall the bravery and strength she showed over the years, when living through challenging times, and the ability she had to find delight in the daily things that life offers; watching a sunset out in the yard, growing her roses, going out for ice cream, cooking up some garden-fresh corn on the cob.

I can picture when we were children together, Mary (the first to have a driver's license) would always say 'yes' to our crazy kid ideas to go to Drive-Inn Movies or out for Pizza on dark and stormy nights, and our parents saying, 'oh, you crazy kids', but out we would go with Mary happily at the head of the parade. Mary had so much love for all of our family members, but especially for our dad and our stepmother, Gay. They played such a big and positive role in her life.

But what I see most clearly, is the deep love and connection Mary felt for her children and 'her' Courtney, and the joy they brought her. I can still see us all, years ago, on a cold winter night in Warren, Michigan, piled into the car driving to one of the kid's hockey games and the happiness that night brought Mary.

Close to her dear Michigan friends, and engaged with life right up till the end, I admire how my sister lived and will miss her a great deal.
