“ *I knew Mrs Clason through her daughters, Pam and Peggy, during our high school years. My memories of both Mary and John Clason could not be more filled with the kindness and understanding that each of them offered- not only to me but to all of their children's friends. I have not ever been in the home of anyone more hospitable or positive. I owe Mrs. Clason more generous meals than I can count, and "hot dish" is a recipe that should be in everyone's coda. May God bless Mrs. Clason and may He comfort her wonderful children whom I knew well during those years. Bill*

“ *I too remember looking forward to visits from Anunt Mary Jo and her kids when they came out to the ranch in the summertime. I've always admired her strong and loving countenance. After Peace Corps, Pat and I landed on her doorstep while we looked for a car and then journeyed across the country contemplating the next phase of our lives. She has always been a role model for Pat and me as a strong and confident woman. She is always with us in spirit.*

“ I was sorry to hear of Aunt Mary Jo's passing. She was such a fun, strong, beautiful person. I always adored her, and loved when your family came to visit; we had such fun together! I know you will all miss her terribly and my thoughts and prayers are with you.

“ It might surprise you to know what an important influence Aunt Mary Jo was to all of her "out West" family even though we usually only got to see her once a year. It couldn't have been easy to come and bring the whole family for a couple weeks each summer, but oh how we looked forward to seeing her and all you "back east" cousins each year! She really made the effort to keep in touch and we loved her so for that! We are holding her and each of you in our hearts and ask God's blessing on each and all of you

“ Aunt Mary Jo was a beautiful, classy woman. I'll always remember your family visits to Montana & the time I went to Detroit with Grandma & Grandpa to spend Christmas with your family. Have been wishing lately we all had kept in better touch. Treasure your memories & know you are in our thoughts.

“ Dear Family, please accept my condolences. Aunt MaryJo was a life savior for me during the summer of 1977. Larry & I and our 1st two babies traveled to Montana in search of summer employment. While at there I developed severe dental issues which lead to dental surgery. Aunt MavryJo nursed me, not only with kindness but with her sharp professional use of self and knowledge of health & wellness. I will never forget her cool hand and cloth wiping the sweat from my face & holding my hand. She turely demonstrated corporal works of mercy that summer. She encouraged me to finish college. I will always be thankful for the opportunity to have this woman of wisdom be a mentor and caregiver to me. Thank you for sharing her with me. In light and love, I embrace you all.

“ We were saddened to hear of Aunt Mary Jo's passing. One of my special heart-keepsakes is remembering my mom say "of all of my family, you are the most like my sister Mary Jo". I treasured that knowledge and felt a special connection to her...thinking, what an honor it was to "be like" her in any way. To me she was a strong, gentle and beautiful woman, a woman to aspire to emulate.

My Mom, Martha, asked me to send her love to each of you. She loved her big sis with all her heart. Blessings from Montana...Christie
