“ *I met Mary when she lived in NY. I'll never forget the first day I met her at Clifton Springs Hospital. We talked for the longest time and just couldn't believe all the things we had in common, including our anniversaries. We celebrated together, every year until Ben and Mary moved back to Michigan. She was a wonderful friend. I only wish we had more time to share good times and anniversaries. Until we meet again, I love you Mary. Our deepest sympathy to her family and friends. We love you Ben...so sorry.*

“ I was with Mary and Ben on the night they met. A year later I was delighted that they had been dating and were now serious. My husband Dave and I went through our courtship and engagement at the same time as they did. I considered her a close friend and I will miss her always. She had an infectious laugh and a loving heart.

“ Mary and I only knew one another through passing here and there at work but when I think of her I see a forever smiling face and that energetic spirit. I'm sure she will be missed by all. Sending my prayer of strength and peace to your family.
