“ *Lou and I have known each other 60 years. We were best friends for most of those years. We shared so much of “living life” during that time, as one can only imagine. It is impossible to share our abundance of memories here.*

Just trust that we had a great ride together. I miss our conversations and just hanging out together. I miss everything we shared. Lou’s fun spirit, her radiant smile, and a tendency to find the good in everyone were just a few of her admired qualities. She offered support and encouragement to many, including myself. A piece of my heart is forever broken, but I am so very thankful for our time and the good times we shared. Love you always, bestie.

“ *For close to 40 years, Lou was more than a friend – she was family. John and I have so many wonderful memories with Lou, from playing sports in the EAA gym, to attending our family birthdays and holidays, golfing together, vacationing at Houghton Lake, attending Red Wing hockey games, and countless more that will forever be remembered. Lou will always have a place in our hearts and will never be forgotten. Rest in Peace Lou.*

“ We always loved Lou Lou! We knew her as our loving neighbor at Houghton Lake. She always had a smile, a warm hug, and wonderful treats for the family (and even for our dogs)! Several times she took my kids to get ice cream or candy at 4 Seasons. She was even willing to get in a couple of Tik Tok dances with my daughter and niece. We will miss you Lou Lou and are so blessed we got to be your crazy neighbors next door ❤️

“ Lou was a very special member of our family who will be missed dearly. What I’ll remember most about her is her undeniable love for my brother Todd. I’ll also fondly remember our times at the lake including hanging out on the porch, pontoon rides and dinners. She also had an undeniable love for her dogs, Kampi, Sonny, and Jimmy. May you rest in peace, Lou. ❤️
