“ *My dear, sweet, loving mother will live in my heart forever. She is with her loved ones in the presence of her Saviour. I am truly blessed to have had two parents who gave all for their children, especially the Christian teachings of our Lord. Thank you, mom. I miss you every minute.*

“ Sue, your Mom was always so kind to me when we were growing up. I loved stopping by to see her. May she rest in peace with your Dad in the arms of God.
