“ *Gene and family,
It doesn't seem like Mary is gone. Mary always made us feel special by the birthday cards she would send. I still have the last one she sent me "To a Special Aunt". She is truly going to be missed for the thoughtful things she would do. Our prayers go out to you, your children and their families and also to Mary's sisters and families.

“ *Gene and family: We know that there is nothing we can say that will ease the pain of your loss. You will always miss Mary, but you can cherish your memories and pass them along to her precious little grandson. I'm so glad she got to spend some time with him. Our prayers are with you.*

“ Mom,

Thank you for the life you lived that showed us love and strength. We love and miss you, and know that you are with Jesus now without pain or sickness. We look forward to seeing you again someday, and will remember and love you in the meantime.

"For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory. O death, where is thy sting? O grave, where is thy victory?"

-I Corinthians 15:53-55
