“ *I loved your laugh, your sense of humor, your way of making people feel special and that they mattered in your life, your hospitality, your love, and the way you kept my dad off balance. Thank you for being in my life!*

Love, your niece Lorrie

“ *What a wonderful woman Mary Anne was. She loved her grandchildren more than anything. I remember when Tommy & Chelsea were maybe 2 not at the same time, she went out and bought the operation game. She would sit for hours (listening to the beeps), because she loved watching the kids use their fingers. Anything little that the kids had to use their fingers and hands she would find it and spend hours just watching. She was a wonderful Mother (Marilyn & Gordy you were blessed to have have her). She was my god mother, and friend. She is now home with her maker & Jack. She will be missed. Rest in Peace my friend, God bless. Debby*

“ *Wow where do I begin. Grandma was the rock of our family. She was the most caring, selfless person anyone could ever know. She used to play grocery store with me down in her cellar and I'll tell u that was so much fun for me as a little girl. Tom, grandma and myself would play spoons in the kitchen and have to guess what nasty stuff was being to us. She endured many head lice cleanings, puking, coughs, and not one time would she complain. I hope and pray that she is dancing in heaven with grandpa and their both down on all us sending their love. We all love and miss u and will cherish the memories we have. Love Chelsea*
