“ *Mary Ann worked for us at the Jesse W. Eakins Company. We shall always remember her fondly. Such a kind lady. She always brought paczkies on fat Tuesday. We could not believe she would line up at the crack of dawn to bring them to us and be on time for work.*

I'm sure her many kindnesses have earned her a place in God's kingdom.

“ Dear Mary Ann,

My dear friend and mentor. You will be missed by many, but I will really miss you. We shared a great friendship filled with fun, laughter, good times and bad. We were there for each other in time of sickness and loss of our daughters. Only one that's lost a child could understand the bond that we shared.

You taught me many things about crafts, cooking and life. About getting old...I'll miss you calling me a Dink when I got something wrong or calling me for advice when there was something you didn't understand. We were always there for each other in time of need.

You were so filled with sadness after losing Kathy and then Ed that it broke my heart to see you that way. I hope your happiness has returned now that your reunited with them. I'm sorry Rick and I can't be there for your services but Florida is a long way from home and you know we will be thinking of you and your family. You will never be forgotten and always missed! We love you!
