“ I remember meeting Mrs. Beswick at age 13 when Lee introduced me to his family. Mrs. Beswick always had a kind word and a happy smile for me. My deepest condolences to the Beswick family. My thoughts and prayers are with you. Mrs. Beswick will be greatly missed by all.

“Maureen was the best Mother-in-Law and Grandmother to my 3 kids that I could have ever asked for. She was at every recital, awards ceremony, band concert and graduation from preschool to college for all of my kids.

Maureen was always up for a trip to Zehnder's in Frankenmuth for a Chicken Gizzard Dinner. She was SUCH a hard worker and retired from Kmart where she wore many, many hats...cashier, customer service, Pharmacy Tech, etc.

She stepped in to help guide me through some of the most significant events in my life when my Mom wasn't able to be there. I remember her telling me when I was planning my wedding while my Mom was hospitalized, "I know that i'm not your Mom but, I'd like to fill the position if that's okay." My Mom appreciated Maureen for doing that.

Thank you for everything, Mom. Thank you for being there for everyone and, I love you ❤️

“My heart truly goes out to my Beswickians. God be with you in your time of grief. Grandma Beswick was a generous, good soul. When I was very broke, Maureen said to me in the kindest way "I have a nice Winter coat for you." (I didn't have one.) The way she said it was so heartfelt that I couldn't refuse. When she gave me the coat and I put it on, she was genuinely happy it fit and looked nice. She made me feel good about myself even when I was in a bad spot. I still use that coat in the Winter. Every single time I put it on I thought about her and her kindness. Rest in peace Maureen. I know you're with Grandpa now.

“*Maureen came into my life just shy of one year ago. During that time we shared so many laughs, silly little jokes and deep conversations. She became a big part of my life and it was such a privilege to be a part of hers if only for a little while. There will not be a single day that passes that she won't enter my mind. Her sweet smile, that fire in her eyes, the gentle way she let me know she cared, I will remember for the rest of my life. This is not goodbye my sweet girl, just until I see you again. The Beswick family will be in my continued thoughts and prayers during this difficult time.*”
