“ *I met Melissa when I was 7 years old and even though we lost touch over the years she was my closest childhood friend. We reconnected the past couple years and I'm proud to have called her my friend. May God be with you, Farris and Heinemann Families, during this difficult time! Please take comfort in the fact that she is no longer suffering and is now in a better place than this crazy mixed up world. Her memory AND beautiful spirit will live on in all of our hearts.*

“ *Dear Family, I was saddened to read of your loss and I'd like to extend my deepest sympathy for your dearly loved mother, sister, daughter and aunt Melissa. I can only imagine the pain you must feel. I pray that you can find hope in the Bible. Jesus Christ, thru God's Kingdom, His Word, the Bible, gives us a hope that includes seeing the resurrection of our dead loved ones. (Luke 23:43; John 5:28, 29)) ~ Hope this comforts you like it has my family during loss.*

“ I am so sorry for your loss.
Melissa and I graduated from Athens the same year. In the last several years, I would run into her at my doctor's office - silver pines. I always looked forward to seeing her...her great smile, the walk down memory lane. She had such a big heart..
God promises us that we will be reunited with our loved ones someday. I hope you can take some comfort in those words. They have comforted me since my sister, Laurie, passed away in 2007. You will be in my thoughts and prayers...
