“ *My uncle was an incredible version of the greatest generation. He came to America like so many did : for his dreams. He worked hard, had fun and always stayed classy. He was a quiet man who like so many others helped and shared through faith. My father and my uncle had some of the greatest times two men could have together. Respect. That word was embedded in his DNA. He had a perfect family with my Teta Lenka, Vasco and Millie. Add in the grandkids and great grandkids, WOW. Bog da Prosti*
