“ *I met Mike in the process of doing business with the City of Warren. Mike was a councilman. He was one of the view who led with integrity. He was unafraid to speak of his faith in Jesus Christ. We talked about it on several occasions. I saw how much he loved his wife and his children and he was a great mentor of how to live your life. I don't know if Margaret and his children will see this as its been years since he passed. But please know that your husband and Father is in heaven now. Remember him everyday and keep his spirit in your hearts!*
