“ *RIP Mike. I always enjoyed our long talks about rock and metal...music all around for that matter. I'm fortunate I got to know you and jam with you. I hope you get to rock the sweetest drum kit in the afterlife my friend. \m/*

You were my co-worker and dear friend. You were such a kind soul always willing to help anyone in need:) I will miss our costco runs and Cafa Rio lunches. I laugh at the times when I felt I was in the way of you picking up a possible date on our outings. Work is not the same with out you. I am sorry I didn't get to say goodbye. RIP my friend . Carol
