David & Rachel I just found out tonight that your dad passed. He was a great man. He spoke so highly of you two. He loved you both beyond words. I loved hearing all his stories of you guys. He always went into such details with his stories. We would talk for hours on the phone. When I say hours I mean hours. 4-5 & even longer. We talked everyday for 4 plus years. We stopped talking. Which made me sad. I tried reaching out to him so many times. He has been on my mind so much. I found out tonight about his passing. It just breaks my heart. I can't stop crying. If I would of known I would of been there. It crushes my heart I wasn't there to say good bye. If it gives you some consolation He was so proud of you both & his grandbabies. He love the babies. The stories he would tell me when he got his baby loving in at church. Your dad guided me back to church. I am so blessed & grateful for that to this day. What a truly wonderful man. I will miss him dearly. I know he is happy that he is home with Jesus! All my love you both of you & your families. God bless Much love Paula (Hyde) Gersdorff I still to this day think of our wonderful talks. I love all his stories. ❤️
