“ *Dear Family, I was saddened to read of your loss and Iâ€™d like to extend my deepest sympathy of your husband. I can only imagine the pain you must feel. I pray that you can find hope in the Bible: 1) A loving God would never take our loved ones: (James 1:13) Â¿ With evil things God cannot be tried nor does he himself try anyone.Â¿ 2) God will comfort you: (Psalm 34:18) Â¿ Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves.Â¿ 3) Jesus Christ, thru GodÂ€™s Kingdom, will bring our loved ones back healthy: Â¿ I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.Â¿ (John 11:25) ~ Hope this comforts you like it has my family during loss*

“ You were the best Grandpa anyone could ever ask for. I will never forget our tea parties or when you would come tuck me and Grandma in and say "Sleep tight, don't let the bed bugs bite and let my angels watch over you." You are now my angel and I will think about you everyday. I hope I make you proud with everything I do in my life, and I know you will be watching me accomplish great things. I love you so much and wish you didn't have to go so soon, but I know that you are now in Gods hands and that he is taking great care of you. I promise to take care of grandma for you, so don't worry. You will be forever missed by me and many others. Rest in peace my sweet Grandpa, you aren't hurting anymore. I love you so much.
