“ *Karin, my thoughts, prayers and love sent to you and your family. I think I met Michael one time back in the day. He has the Peterson smile and face. I cannot fathom what you all are going through but please know I am here for you.

“ *Dear Mary, Amy & the entire Peterson Family. Sometimes there simply aren't words to convey what our hearts feel in a loss such as this one. There are no words that can even begin to ease the pain you are feeling. Michael was a special soul with a mind never at rest. I know he has finally found the peace he so needed. He was & always will be a part of our family & always our hearts. We are so very sorry and were honored to be able to say our Goodbye to such a kind & gentle young man. Wishes for your peace, serenity & comfort in the memories he left behind. He is in God's gentle arms now. With Love, Linda & Melissa Pfaff*

“ *Mary,*

Shoba and I are heartbroken. Michael was an important part of our family the year we all lived together at our home on Crosswick. Our daughters, Sophie and Izzy, only knew him as Uncle Michael. He was always so great with them. Michael will always be alive in our hearts and memories. And may those memories be a blessing. Our hearts are with you, and your entire family.

“ No words feel adequate to convey how much light and prayers my heart is sending to all of Michael’s siblings and my dearest Aunt Mary. Michaels generously donated to continue life beyond his own. Hope he is smiling with peace as he sees his generous light continue to shine.
