“ *Mike was an amazing man and feel honored that I got to know him and Vi at our Easter gatherings. I thoroughly enjoyed talking with him about his WWII days and loved seeing the joy on his face when the little ones would say hi.*

Know that he is resting in the loving arms of our Lord celebrating in heaven.

“ I served in the Detroit Diesel parts department with Mike for many, many years....long enough to know him very well.

Like many others that benefited from knowing him, I count him as a really good guy. He was a mentor to me and many other new hires. A classic, unsung hero and always a good friend.

He has my prayers and fervent wish for a rewarding stay with the Almighty whom I'm certain appreciates all the good things Mike did while here on earth.

Sincerely, Denny McLampy
