“ *Aunt Arlene and family. I have always known Mike as "uncle" ever since I was a child. I am Ray Kunnath's daughter and still have fond memories of both of you. I am so sorry for your loss. I know my dad was looking forward to getting together after Covid but I am glad they got to talk recently after being out of touch for so long. I am sure the Lord gained an angel. I am praying for you and your family.*

“ *Dear, Arlene, Donna, Denise, David & Debra I'm so very sorry for your loss of your beloved Husband & Father. I am at a loss for words to express my heartfelt sympathy. I was so looking forward to be able to get together after Covid-19, as we discussed before Covid began. My love to you all. I will be praying for you all during this grievous time. Mike & I go all the way back to high school and have lost touch, but not forgotten. We had planned a reunion, but the lord wanted him first .*

“ *Oh Michael.....we laughed so much! The time you were a passenger in my car & mistakenly pushed the seat into a recliner position. I turned to tell you something & all I saw was your legs kicking in the air. Or the playing pool all night with Avery.....”rack em.....”. So many more. You are loved by such a wonderful family. Rest In Peace.
