In Loving Memory of Michele Ann Foisy

It is with heavy hearts and profound sadness that we announce the passing of our beloved Michele Ann Foisy, who left this world on October 10th, 2023. Michele's journey through life was tragically cut short, but her memory will forever live on in the hearts of those who were fortunate enough to know her.

Michele was born on October 26th, 1972, a beautiful soul with a heart full of compassion and a smile that could light up any room. She was a proud mother, a devoted daughter, a loyal sister, a caring aunt, and a loving fiancée. She touched the lives of all who had the privilege of crossing her path. Her presence was a gift, and her absence leaves an irreplaceable void in our lives.

Michele had an immense capacity for love, and her love for her family and friends knew no bounds. Michele had a way of making everyone feel special, seen, and valued. She was a compassionate listener, always ready to offer a shoulder to lean on, a kind word, or a warm embrace. Her presence provided comfort in times of sorrow and amplified joy in times of celebration.

Michele's concept of motherhood also knew no bounds. She had a great love of all animals, especially her dogs. Lovingly calling her Fur-momma, she is survived by her Fur babies: Her dogs Zoey, and Peppy, and her cat, Rogue.

She loved them all equally and without reservation, always placing their needs above her own.

Michele's memory will forever be etched in our hearts. While her physical presence may be gone, her spirit lives on in the love we shared, the memories we created, and the lessons she taught us about the value of life, love, and compassion.

In honor of Michele, let us remember to embrace each day with the same courage, love without reservation, and cherish the beauty in the world around us. She would want us to live our lives to the fullest, and always remember the good times.

Michele is survived by her parents, Al and Gerry, her brother David and girlfriend Debbie, her daughter Caleigh, her nephew Lucas, and her Fiancé Ron. We invite all who knew and loved Michele to join us in a celebration of her life at Mandziuk & Son Funeral Directors located at 3801 18 Mile Road in Sterling Heights. Viewing will be on Sunday, October 15th from 11:00am to 4:00pm with a service at 3:30pm. In lieu of flowers, donations may be made to Boys Town (<https://www.boystown.org/Pages/default.aspx>).

As we say goodbye to our dear Michele, may we find solace in the memories we shared, and may her spirit continue to guide us on our journeys through life. She will forever be our shining star and our guardian angel, watching over us with love from above.

Rest in peace, dear Michele, and know that you are forever loved and deeply missed.

“ You were my partner, my friend, my conscience, my rock. One of the things I will miss most is our morning routine. I used to write a little note or poem every morning to let you know when you got up that I was thinking about you and how much I love you. I got to start and end every day with a hug and a kiss. And you always gave the best hugs.

I would walk up the driveway at the end of the day and, no matter what kind of day I was having, I would smile knowing you were right behind the door with our family.

I have told the story of the day me met a thousand times... and I will never stop telling it. I was 16 and I just got my first job at Tubby's. I walked in, ready to work and there you were, behind the counter on the phone. You never looked up but I will never forget the beauty I first saw. I loved you from the first moment I laid eyes on you. I remember thinking to myself, "I want to marry this girl!"

Unfortunately, I never had the confidence to ask you out. You were light-years out of my league. After that we became great friends, laughing and crying together, and then we drifted apart. Little did I know that 26 years later you would be back in my life and answer my every prayer.

I finally got to be with the girl of my dreams. You.

Our first kiss was as memorable as they get. January 15th, 2017. We just finished our first date and it was amazing. We talked, and could have kept talking for hours, but the best parts of the date were the silence. We smiled and just stared into each others eyes while holding hands.

AS the date came to an end, YOU swept ME off of MY feet! I was supposed to do that to you! In the waiting area, we hugged and you looked me straight in the eyes and said, "I'm going to kiss you now. Sorry, not sorry.". My heart burst with emotion. The next 4 years would be the happiest and best 4 years of my life.

Now, the house is empty, the rooms are dark. I still haven't made your bed. I lay in it, drinking in your scent. I go from numb to a heap of emotion in seconds. Our morning and night routine is messed up without you here. Sometimes, I wonder how to go on.

Ultimately, I know you would want me to be happy. I will try my best. I will live day to day knowing you are waiting for me. Not yet, punkin... not yet. I'll keep your memory alive. In my thoughts, deeds, actions... and especially in my heart. You will always be with me as I am eternally with you.

A Haiku I give to you... these were always your favorite:

*I am here
Your memory lives
In my heart*

I love you, Michele. Heart, body and soul, I am yours... forever.

“ Michele was the best friend that anyone could ask for. Hers was the type of friendship that no amount of time or distance affected. She'd always remember the little things like birthdays and anniversaries and loved keeping up with what was going on with my whole family. They all adored her too. Everyone that met her did. I don't think she really knew what an impact she really had on everyone that was lucky enough to know her.

We have such fun wonderful memories together and I am thankful for those. She was also there for me and my family through some really tough times. I am really going to miss her so much. She is absolutely irreplaceable.

I am so very sorry for her family's loss. Hopefully the wonderful memories you have, as well as knowing what a big impact she had on so many peoples lives will bring you some comfort.

Mr. and Mrs. Foisy, Caleigh, David, Lucas and Ron, You will all continue to be in our thoughts and prayers.

Rest In Peace, my dear sweet friend. I will always love you! Love,
Dawn, Tom, Ashley and Brandon DeWitte

“ Michele,
Their are no words to express the way I feel. I will do my best anyways. If I could trade places with you I gladly would. You of all people don't deserve the pain you have endured. You have never hurt anything, I have hurt plenty. You opened yourself up to anyone and everyone, I have put up walls and armor to protect myself. I will never know the pain you have endured most of your life. I am sure you have been the strong one more than anyone could imagine. I am grateful you are finally at peace now but will always regret not telling you these things while I could. The world will definitely be an emptier place without your beautiful soul. Their are so many things I thank you for, you have taught me a lot. I Love You. Hopefully one day I will earn the right to see you again.
Your Brother David ❤️

“ Aunt Shel was a major influence in my childhood. She always picked my sister and I up on the weekends and took us everywhere. Seeing the Easter Bunny, going to the nature center, horse drawn carriage rides, concerts, you name it. She even made up her own game for car rides. My sister and I were never bored. As an adult, she still came to every birthday, wedding, shower, etc. that she could. I will undoubtedly miss her so much. She was just an all around good human. Earth will be a dimmer place without her in it, but Heaven will be lighter. Love you Aunt Shel.

“ It isn't easy to accept that you have left this world behind, yet I'm sure you're in a better place right now. Time can never blur the cherished memories me and Sierra have with you - from countless sleepovers, halloween picnics, fun games to play in the car, and much more. You always had something fun planned for us to do to spend time together and made our childhood filled with great memories to look back on. You will truly be missed. We love you SO much Aunt Shel.
