December 9, 1954 - September 14, 2023

It is with a heavy heart, we are sorry to share that Mike Berezowsky passed away peacefully with family by his side on September 14, 2023 at the age of 68. Loving father of Jamie (Wendie), Melissa and Bryan. Dearest grandfather of Brady, Lillie, Kian and Amelia. Dear brother of Irka, Lesha and the late Eugene. Cherished uncle of many nieces and nephews. Adored pet parent of the late Hedvig. Mike loved watching the TV show Dr. Who. Another favorite he enjoyed was horse races live or on TV. “ Well the leaves finally started to change color! My tree is the only one this bright and colorful on my street right now. I asked Brandi to give you a hug from me, and told her to grab one for herself while she's at it!

*I miss you both so much xoxo
Happy Halloweenie!*

“ OMG OMG OMG OMG - Dad I know you and Brandi are up there rooting our Detroit boyz on with us!

I wish you were here so I could call you and be super excited about this together! (Well I Would Be More Along The Lines Of Annoying You If I Called At A Time Like This). Obviously you were the one who taught me EVERYTHING I know (and/or cared to know) about sports. I cheered for a "first and ten" year after year, but hadn't a clue what it meant.... hahaha! I'm just being a brat - I know you want to be here too! I just pray. I will continue to pray. I miss you and love you! Kian sends a fust bump Give Brandi a "fist bump" from him too!

LET'S GO DETROIT 💙

“ Dad I miss you. I'm sure you know that I seen Baba.... She reminds me so much of you obviously! She will forever be my role model. Sorry for crying so much - I don't think things will get easier but I know you'd rather see me not. Please come visit me whenever or however please!

In my dreams or show me that you're still with me in spirit - in six more days means you've been gone for three months..... I cry everyday - I can't not - I just hope you realize that you are and always will be the best Dad in the whole wide world. I have been joking about Brandi being up there talking your ear off :))) Love you bunches and bunches xx TTFN

two months not three - even though it seems like forever 😞 everyday I just want to pick up my phone and call you ~ I dreamt about horse racing last.... like I was watching the races on t.v. with you! I only remember the jockey was wearing a red shirt - I took that bright florescent yellow sweatshirt I bought you for Christmas last year from the house so I can wear it and be reminded of you even more - talk to you later Dad ❤️ I love and miss you so so much!!!!

“ Mike B you were my very first American friend in US when I came from Europe 🌐. It's been 45 years since the first time I met you and Bonnie. I have been lighting a candle every night since you came home a week ago. You left way to soon 🙏😞😞. My condolences to your family and children. Know you were loved by many especially by mine and Jim's kids who adored you very much ❤️😞
🙏.
