“ God please just lift the entire family help give them peace and comfort in knowing that you have him and he's with you. He was too good for us. Always looking out for friends and family putting everyone above him. So encouraging and hopeful. It hurts brother. Sorry I wasn't there more for you myself . I'll see you one day and we can box that round 2. You're up on me. lol get my rematch again! Love you please God take care of him like he took care of us!!! No words i can say, no amount of tears. I know he's in heaven his soul with God and his energy still here with us. Thank you for everything Mik. I know you're looking down at all of us. Love you man. Until I see you again....

“ I really liked - affectionately none as - Mike. He always had a radiant smile on his face and such a hard worker and family supporter. He will be sorely missed and I'm glad I met you. Our prayers are with the Gjokaj family...Tim

“ *We were so very blessed to work with Mike.....we are truly heartbroken and are lifting up the family in prayer. Heaven has gained a very special angel and we will miss his sweet face and demeanor. Sending love and light for healing, peace, and comfort. Life is so short; we all need to count our blessings more than daily!*

David and I will be praying for family and friends. This was truly heartbreaking news . All of his pain and sorrow are forever gone now . May his soul forever be at peace.
