“ *I worked with her for over 20 years. I remember when the Doctor told you that you was having a baby. I surprised us all. It brought joy. May God keep you at this must sad time. But remember in time He will bring you joy again in Heaven. Love and sincere sympathy, Rosie Bell*

“ My Millie my Precious Angel. When I met you over 15 years ago you changed my life, you displayed what true love and friendship is. We had so many days of fun and laughter, Me you, Alex & Breana hanging out attending sooo many Birthday Parties and coming over my house. At times we would laugh and have so much fun while Bree and Alex played together or did “Kumon” together our heads would hurt. My Parents were so fond of you & Alex. My Dad really enjoyed attending functions to see the Genius, Your Son Alex perform. But all that is said and done you have touched the lives of so many, that you will always remain in our hearts remembering your sense of humor and that great big smile that would light up a room with your huge presence. Rest In Peace my beautiful Angel. We know you will be in Heaven smiling down on your Family and all of us who love you. Miss you, Love you always and forever! 🤝❤️🙏

“ Dear Millie, We are heartbroken. The Lord blessed you with a wonderful gift of taking care of others, and as a result you became a gift to so many! We got to know you from Georgian where you cared for my mom and then my husband. You offered comfort and peace of mind. I remember one late evening I was visiting my husband Dan and it had been a long day. You came in and said what are you still doing here? Go home. I will take care of him. And you did. You became a family friend. You were compassionate and funny and always offered to help. You continued to help my mother in and out of rehab and she loved to see you. You had good conversations and you shared stories of love and pride for your son JR. We will miss you Millie and our loss is Heaven's gain. We will never forget you and how you touched our lives. Thank you for being our Angel ❤️

“ I can remember when I worked with Millie as her charge nurse 7p to 7a to me she was full of compassion, empathy, Millie I think showed all of us what the term is treat everyone as if they were your family and she did. And she had a wonderful sense of humor , sometimes she would ask me if i had ay coins , that was a incentive thing a georgian bloomfield ,it was you would get these coins for great job and then they would amount to some item like a heartland jacket and many pther gifts .well she would joke with me and say Hey Cathy wheres my coins? Are i goood enough .well the coins i got i think they were 8 of them i put on the counter and said hey Millie someone left you some coins! Well sweet Millie you are with Jesus your mission completed Job well done now you have entered the joy of the Lord! You will be missed but never forgotten One day we shall see each other Millie yeah we are Gods little nurseangels see ya kiddo and by the way dont ask for coins we ran out the day you went to heaven. Also Alexander remember this world is just temporal place when our job is done we go home to our real place Do good as I know you always will take care of your family You are in my prayers
