“ *I will miss Nanny very much. She was always there when you needed her. From birthdays (Western Union calling...) to Christmas, to helping when you needed a pair of pants hemmed, she was always willing and happy to be a part of each of our lives. I have countless great memories that center around a beautiful, wonderful woman.*

“ *My best friend, Mildred (Nanny) will be missed very much. She was always there for me and I for her. She loved her family very much. She would say that they were her life. We were blessed to have her for almost 97 years. We shared a lot of great memories. She loved being with her family. Eternal rest grant onto her O Lord, and let the perpetual light sign upon her. May the Dear Lord Bless and Keep Her. Love, Stasia*
