“ *Some of my fondest memories were visiting Aunt Millie's home on Rossiter. I remember her always having coffee cake and coffee there for my mother and her , but she always had some to share with me. She never was lost for words and could carry on conversations for hours. She will be missed. Thanks for always having a smile for me.*

“ *My Aunt Millie will always hold a special place in my heart. My earliest memories include visiting her with my mom at Hudsons at Eastland (seemed like everyday), although I always wished she worked in the toy department instead of clothes department. And then there was Caseville, they moved in just down the street and I would visit aunt Millie and uncle Rico all the time on my mini-bike. They both were always so nice to me and uncle Rico always had a joke.*

To the family of Millie Zuccaro: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
