“ *Mirosława Medrek was an angel. She was in my life for almost 10 years and I will always hold every day of that time dear in my heart. She treated me with kindness and love and I miss her every day. She lived for her family and her faith was stronger than anyone I know. She was a role model to me. Prayers to the family. My heart aches for your loss.*

“ Mom filled our lives with pure, unconditional love. She thought us so many wonderful things, impossible to list here. The greatest gift we have from Mom is faith and love for God. Before we could walk, we knew how to put our hands together in prayer. She gave herself to us. Everything she did, was for us, she lived for us and had a tremendous will to be well so that she could do more for us. In return, all she wanted for our family was to love one other; I think we exceeded her expectation. Mom thought us three magical words: please, thank you, and sorry. She told us that if we use them, life is going to treat us good, I think we've done pretty good for ourselves; those magical words really work.

Mom was a joy to be with, she had amazing stories to share, and what a story teller she was... Grand kids were her biggest fans as she told them stories they wanted to hear, she produced one on the spot for every occasion.

Mom was our best friend, she listened, gave great advise, knew how to keep a secret, she was the life of a party, always making sure everybody had enough to eat. Mom was truly a very cool person!

Mom was a WWII survivor and that war thought her stubbornness. There was never an option to give up on anyone or anything, especially not on herself, there wasn't an obstacle which couldn't be overcome. Mom lived 95 years not because she was super healthy but because we gave her a reason to live. But her body became fragile and tired, and she longed to be with her family in heaven, and so we let her go. Peacefully and quietly, held in our arms, Mom took a trip home...

There isn't one word which describes Mom, but if we had to chose one, it would be an Angel. Mom will be with us always, and we will celebrate her new beginning and journey in heaven. And so we don't say goodbye, but rather until we see each other again...

“ I want to share my condolences together with the prayers I offer for your mother. I still remember the warm relationship she had with my mother when we were much younger. Pani Medrek lived a long, and I believe a happy life. Our loving God will certainly rejoice in welcoming her to His kingdom. I will remember her at Mass here at the Cathedral in Manchester, NH. May God bless all of you, Elizabeth and the entire family. Wieczny odpoczynek racz jej dac, Panie.
