

Monica Ann Przybyl

July 10, 1995 - January 16, 2026

Monica Ann Przybył, beloved daughter, granddaughter, sister and friend, passed away suddenly and far too young at the age of 30.

Monica is survived by her loving parents, Sheri Klonowski and Andrzej (Marie) Przybyl; her grandmothers, Halina Przybyl and Cindy Klonowski; her siblings Eric (Sarah), Megan, Ashley (Matt) and Melissa (Aaron); as well as many other loving family members and friends.

Monica was profoundly loved by her family and will be extremely missed by all who knew and loved her.

She found happiness in caring for others through her love of cooking. Monica adored her kitties, found comfort in reading and brought laughter to those around her with her sharp sense of humor and quick wit. Her presence left an unforgettable mark on others and her spirit will live on in the memories and hearts of her family and friends.

To honor Monica's life a visitation will be held at Mandziuk & Son Funeral Directors of Sterling Heights on Monday, January 19th from 3:00pm until 9:00pm. Please dress in your favorite Lions attire or other sports apparel for the visitation as a tribute to Monica.

“ Monica was one of the coolest people I've ever known, effortlessly cool. Every conversation ended with laughter and good time, as well as a movie recommendation to see "The Croods." It's been 13 years since I last talked to her, but I'm sure everyone else can vouch for me and say that she remained just as cool and as great of a friend as she was back when. Thanks for the memories, Monica.

“ We send our thoughts of comfort, our deepest condolences, heartfelt sympathy, to all of the family and friends of Monica. Ohhh Monica, I regret so much that we could not attend tonight. We've been thinking and talking about you all weekend. Thank you so much for your continued friendship. Thank you for that one text that you would send every year to Mike on the same day that would never go unnoticed without a wow, she is so thoughtful. Yes, we all love your new glasses. You are beautiful, funny as hell and so many people are gonna miss you, it sucks, plain and simple. Me and Alyssa will forever keep the Axolotl named Monica from when you were in recovery at the hospital, room 5636, room 5636 😊 Thank you for always sending so much love about our daughters and convincing me our second daughter's middle name was because of you, we just didn't know it 🤔 We never did that sleepover while Mike was out of town and that I could cry for and do. The amount of people that you have touched, loved, made laugh and made welcome is unsurmountable. May Your memory, legacy(yes, you're kind of a big deal), smile, brutal honesty, cooking, and humor live eternally. The Deneweths

“ *Monica was the definition of a true friend to everyone. We had not physically seen each other in years but, she always made sure to keep in touch through Snapchat or on social media. Anytime we talked it was like no time had passed. You will be so missed Monica! Thank you for always being Fraser gymnastic's #1 fan!!*

“ *Monica, I'm sorry I couldn't be there today but I heard it was packed with so many friends and family who loved and cared about you so much. I'll miss your quirky humor, the way you could always make someone laugh, the way you still Snapchatted everyone, even if it had been a while since you saw them in person. I'll never forget how much we laughed making dances for our Fraser dance class, going out to breakfast, and our inside jokes that are still written all over my yearbooks. Thanks for being a true and constant friend, even from many miles away. Love you very much. Wishing everyone peace during this difficult time. We lost a very special one too soon.*

“ Monica was one of my best friends from middle school, thru high school, and we've kept in touch all of these years. Over the last month, we've been reconnecting even more, and I'm incredibly grateful that I've been able to see her a couple of times. God knew we needed to be able to see each other one last time. I just never imagined it would be the last time. We had plans to get dinner next week. I'll have you in my heart forever, sweet friend. Thank you for every smile and every laugh. Thank you for always supporting me and being a real friend. Rest peacefully. I love you, always.

“ *Monica was hilarious. She shared my same twisted sense of humor and never failed to make me laugh, even when I was at my lowest. The time between hearing something and saying whatever popped into her head was about three seconds and it was always perfect. She loved my daughter deeply, always asking about her and putting so much effort into being part of her life, constantly reminding me that I was doing a good job. I love her, and I will miss her beyond words. I hope everyone finds the funny in this short time we have on earth, Monica would love that. Andy, Marie, Eric, Meg, Ashley, Melissa, your family has always included Ari and I in absolutely anything we tagged along for and it has never gone unappreciated. I am praying for and thinking of you all. Love you Monica, Monique, carrot Monica as Ari called you, forever.*
