“ I’m so so so sad that I am just finding out about this. Nancy has always been my MSU buddy and we still always texted before and during every game. Heartbroken. She was wonderful and I will cherish so many wonderful memories with her at St. John. RIP Nancy! You’re the BEST!!

“ I worked with Nancy at St. John's from 2002-2010. I loved her spirit and admired her strength in continuing to work despite her arthritis. She always made me laugh and I'll never forget how she would throw her head back and laugh too. My sympathy and prayers go out to the family. Your Mom was loved by many and will be missed. God Bless you during this difficult time.
