“ *Sending a BIG hug to Uncle Don and Ann from Florida. My best memory of Aunt Nancy was her broad smile and laugh. I can close my eyes and hear her laughing. A laugh that made everyone around her smile. She had a gentle soul and a fierce love for her family. You will be truly missed.*

“ *I remember going to concerts with Ann. At one Bob Seger concert, we were off to the side on the main floor. Ann remarked she couldn't see a thing. Nancy asked if she wanted to sit in her seat. Ann said no and repeated I can't see a thing. Me and Nancy looked at each other and laughed. I also remember her beating me over the head with a poster and laughing. She was a very special person.*
